Plans for the new school security fence are moving forward and we are hoping to start erection within the next two weeks. It is planned to be completed by the 18th December.
During this time there will be periods when access through certain gates will not be possible. Please be assured we will advise students how to enter and exit the school at different times and put updates in the newsletters to make this as easy and as safe as possible for everyone.

If there are any problems please don’t hesitate to contact the school.

Live! Life! Well!
How much fruit and vegetables do children need?
It is recommended that adults eat at least 2 serves of fruit and 5 serves of vegetables each day. The minimum amount recommended for children is 2 ‘child-sized’ serves of fruit and 4 ‘child-sized’ serves of vegetables per day. A ‘child-sized’ serve is approximately half the adult serve as defined by the Australian Guide to Healthy Eating.

One ‘child-sized’ serve of fruit equals:

NEW SCHOOL LOGO AND MOTTO

Dear Parents,

As you may be aware, we are in the process of looking at updating the school logo and motto. We seek your feedback on this, and would like you to indicate your preference below for both a logo and a motto. School executive will make the final decision.

Please circle your preferred school logo.

![Logo Images]

- This tree symbolises strength and growth on a strong foundation, with its roots firmly planted in the ground. The original symbol of the school was Mrs Blacklock’s tree, which links this logo to our original history.
- This logo and motto was developed in the 1960s. The open book symbolises learning and the light stands for the light of knowledge.

Below are some suggested school mottos. Please number these in order of preference from 1-5.
