Reminder Long Weekend

Next Monday 8th June is a public holiday. The School will be closed. Students and staff will return on Tuesday 9th June.

Myuna Bay

Years 3-6 have been exploring Myuna Bay Camp for the last 3 days. Everything went well and the weather was fantastic. The students learnt and participated in new activities which they might have never done before this camp. Even when things don’t go to plan with the canoe capsizing, the students picked themselves up and continued on with the activity. We are sure to hear about all their adventures in the coming weeks.

Athletics Carnival

Last Thursday Jesmond Public School had their annual Athletics Carnival. Mrs Curry did an amazing job at organising the event, including the fantastic weather which gave all of our students the opportunity to compete in a range of activities. It was lovely to see the great sportsmanship and the ‘give it a go’ attitude demonstrated by our students throughout the day. A big thank you to the P&C for running the canteen and to all the parents who came along to the carnival.

Mrs Curry will announce the students who will be representing our school at the Zone Athletics Carnival in the coming weeks.

Stay active!

Year 6 Fundraiser - Superhero Day

Next Wednesday 10th June, Year 6 is holding its Superhero Fundraiser Day. All students from K-6 are welcome to join in the fun to help raise money for our Year 6 gift to the school. They can bring a few dollars to join in the activities, which will start after recess. There will be a variety of different themed games and activities, including making superhero biscuits and designing a superhero mask. To participate in the activities you will need to purchase superhero tokens, which are 50c each. Students will finish off the day by watching a popular superhero movie.

Sportslink

Sportslink is a valuable program gives the students the chance to learn a new sport, develop new skills and practice these in a friendly social competition with other students in nearby schools. Our chosen sport this year is benchball. This is a fun game that all students can take part in and enjoy. Stage 3 students will take part in the inter-school Sportslink competition on Thursday 25th June.
